

INTERNATIONAL WOMEN  
In ENGINEERING DAY  
23 June 2017

## International Women in Engineering Day (INWED) at Santa Ana College

Our focus for this event will be "Green is Your Color", and hands on training with equipment and software. An opportunity to learn, network with industry professionals & have some fun. Our sub-theme is "Men as Allies".

### Friday, June 23

9-10 a.m. Demonstration and hands on reality data capture with Leica Disto D810

10:30 – 11:30 a.m. Demonstration and hands on capture of energy data with collector tools demos and hands on tutorials for attendees

12:00 – 1:00 p.m. LUNCH with guest women professional engineer speakers

#### **Suzanne Kusik, Civil P.E.**

With experience of more than 25 years in the field of Civil Engineering, Suzanne is a Senior Civil Engineer and codes expert. Suzanne is currently with CSG Consultants, Inc. and previously did contract building services for local jurisdictions including the City of Newport Beach, Los Angeles. She was a Plan Check Engineer with the Huntington Beach Department of Building and Safety.

#### **Jacqueline L. Patterson, Civil P.E., Vice President, JACOBS**

Jackie has received many honors in the industry. As founder of JL Patterson she built the company to over 100 employees. JL Patterson twice won the Bentley Be Inspired award for two separate projects where her company saved their client \$millions. Jackie is a recognized expert in the industry in rail engineering. Her company, JL Patterson was acquired by Jacobs, where she now serves as vice president. Jackie has BS and MS degrees in Civil Engineering, is a registered professional Civil Engineer and serves as an adjunct professor at USC's Civil Engineering department.
