## **Both Tuesday & Wednesday**

**Where:** Anaheim Convention Center – North Hall

800 W Katella Ave

Anaheim, CA 92802

Click here for the [Google map of Anaheim Convention Center](#)

We will have a table at the AEC Next Technology Expo + Conference Registration desk for check-in. **Please come turn in your filled out registration form at our Check-in Table. We will then give you further instructions.**

**Parking: \$16** at the Convention Center. Follow signs for the AEC Next Technology Expo + Conference. **Students present your current Student ID at the pay booth to receive free parking.**

### **Are you bringing your laptop?**

If you are bringing your laptop, you can download the software by following [this link](#). Also, don't forget to come with your battery completely charged and bring your charger. **Follow these instructions for downloading the software:**

1. If your company or school owns Bentley software, you or your IT people can install the software you will be needing for your sessions at the Bash on your laptop. If your company doesn't own that particular software, you can use the temporary license login listed on the software page.
2. If you don't own any Bentley software, please use the temporary license login listed on the Software page when asked for it after installing the software.
3. If you are a student or faculty at a school with an academic subscription, download the software you want to learn from [www.bentley.com/studentserver](http://www.bentley.com/studentserver), and use the activation code found on the download site.
